Information Session #4

13 August 2026

Arrivals Procedures

Cai Jiahui – Reception & Service Support Department

Arrival Card

Who Needs to Fill It Out?

All foreign nationals entering China are required to fill out the **Arrival Card**.

You may choose either of the following submission methods:

- **Online Submission (Recommended)**

Complete the form online via the official website prior to departure. Official

Link: <https://s.nia.gov.cn/ArrivalCardFillingPC/entry-registration-home>

Or scan the QR code on the right

- **On-site Submission**

Scan the QR code at airport immigration lanes or collect a paper card to fill in manually.

Important: the card can only be submitted within 72 – 24 hours of arrival in China.

Prepare arrival card QR code to present at immigration.

For further information, please click the link below.

Video: Online Foreigner Arrival Card Submission Guide

Link text: <https://english.shanghai.gov.cn/en-CustomsImmigration/20251112/c90227e252884a949f2091c37a0818ac.html>

Fingerprint Collection & Border Immigration Check

Applicable Individuals for fingerprint collection

Foreign nationals aged 14 (inclusive) to 70 (inclusive) entering China for the first time.

Note: Fingerprint collection during visa application is separate from fingerprint collection upon entry to China.

Process for Shanghai Hongqiao International Airport (SHA):

- **Follow the signs to the Immigration Inspection Area.**
- **Submit Documents**
Passport, Visa, Arrival Card/QR Code, etc.
- **Facial Recognition**
Face the camera for facial photograph collection.
- **Fingerprint Collection**
Follow the officer's or device's instructions to provide fingerprints for all ten fingers.
- **Complete Inspection**

Transport Of Medication

Regulations on Passengers' Carry-on Luggage (General Daily Goods)

Under applicable customs regulations, passengers may only carry luggage and goods for personal use in reasonable quantities. Goods for personal use are limited to the bearer's own use or gifts for family and friends and shall not be resold or lent out. Reasonable quantities are assessed based on travel purpose and duration of stay.

For full details, see link:

<http://english.customs.gov.cn/statics/3a12c746-51e1-4d94-8fc1-44a573fad090.html>

Entry Rules for Delegation Travel Medical Kits Containing Common Medicines & Basic Medical Supplies

Travel medical kits brought by delegations are generally compliant if: All contents are for personal use within reasonable quantities (assessed comprehensively based on delegation headcounts), do not fall under legally prohibited inbound goods, and are subject to customs supervision.

Transport Of Medication

Reminders

- (1) For prescription medicines, carry the original doctor's prescription or medical records as supporting proof.
- (2) In accordance with Customs Clearance Guidelines for WorldSkills Shanghai 2026, all medicines carried by Competitors and other relevant personnel must be intended solely for personal use and Competition-related needs. Any unused medicines shall be transported back out of China promptly after the Competition concludes.

For more inbound customs clearance information, please click the links below:

Visitor registration

Registration Flow

Registration

Generating E-Pass / QR code

Access

All visitors (local and international) must register.

Registration is available for these visitor categories:

- Organized groups,
- Individual visitors.

International visitors should register under Individual visitor group

After submitting data required for the registration, the system will generate an **E-Pass in form of QR code** within 2 days.

The E-Pass will be shared via email the visitor registered with and will grant access to the Competition venue (NECC) on selected days and time slots.

On the day of your visit, you can access the NECC upon scanning your QR code E-Pass and once the ID you have registered with is checked by the authorised personnel.

Please remember to bring the original ID with you. QR code E-Pass can be presented in digital version (email or through the original booking channel, or by logging in to their registered account).

Visitor registration

Data required for international visitor registration:

- Full name
- Nationality
- Gender
- Date of birth
- Photo
- ID Document type and ID Document No
- Email address

Visitors will be asked additional questions during registration to allow WSS2026 on behalf of WSI collect demographic data and measure impact of the WorldSkills Competition Events

Visitor registration

- ✓ Only registered visitors can access the NECC (the WorldSkills Competition venue) on Competition days (C1, C2, C3, C4) = 23 September till 26 September 2026.
- ✓ All visitors older than 6 yrs old (on 22 September 2026) must register.
- ✓ Visitors under 6 yrs old must be accompanied by an adult and carry proof of age (passport, national ID, birth certificate).
- ✓ Individuals and families (that are not part of the organized national groups) are responsible for own registration.
- ✓ One account can register up to 4 visitors. If an account registers multiple visitors only account holders can view the relevant registration QR code E-Pass.

Visitor registration

How to Register

The registration process must be completed online via official platforms

Official Registration Channels

Official Website

www.worldskills2026.com/visit

Registration Process

Individual Visitor Reservation

One account / email address can register tickets for up to 4 people. International visitors can use this for family registration.

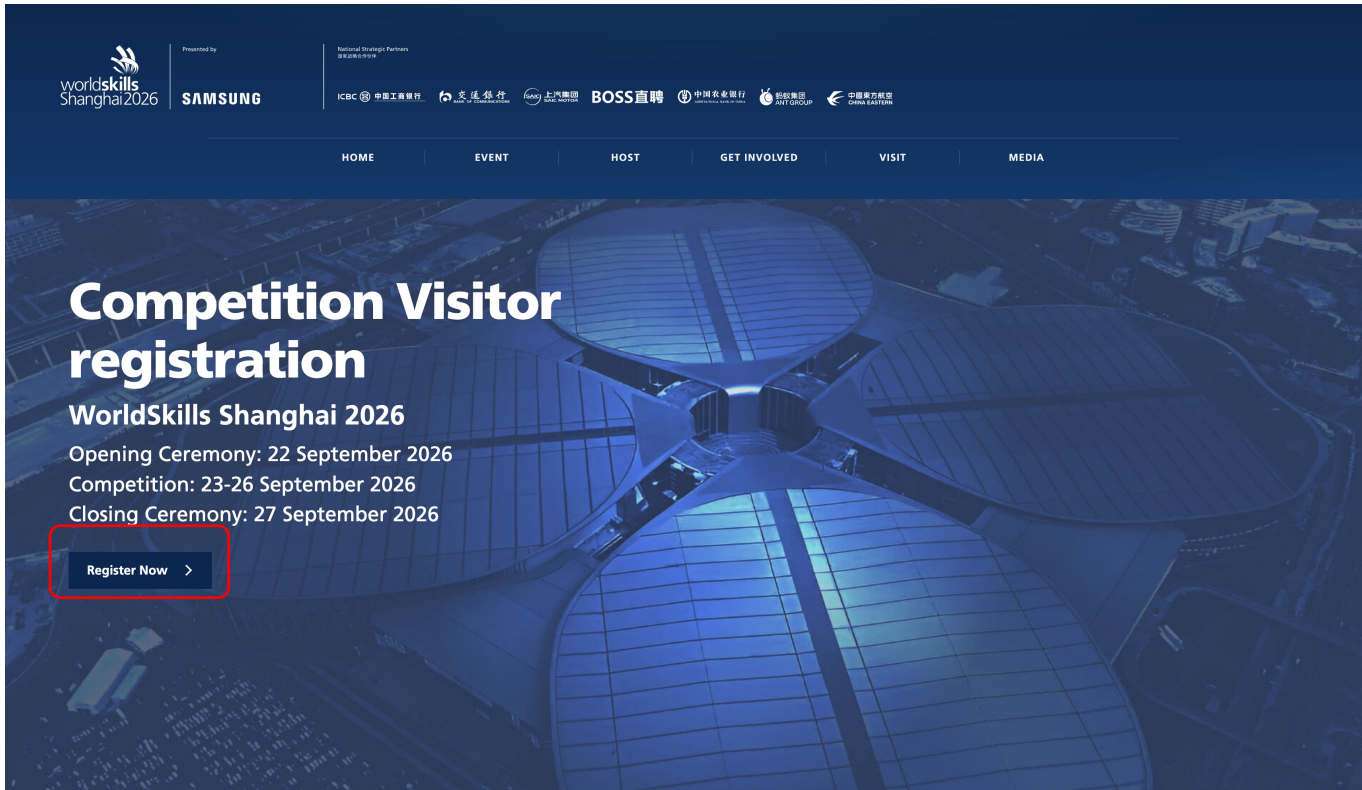

There are four competition-viewing days for this edition of the WorldSkills Competition. International visitors may tick one or more days for attendance.

A competition-viewing day become unavailable if all visitor quotas are fully booked.

Note: Please ensure you / your supporters do not book every day & every slot automatically unless they really plan to be at venue all day each competition day. This will ensure slot are not blocked for national audience.
